DETAILED ACTION

Information Disclosure Statement

1. The information disclosure statement (IDS) submitted on October 17, 2005 was filed after the mailing date of the Notice of allowance on August 11, 2005. The submission is in compliance with the provisions of 37 CFR 1.97. Accordingly, the information disclosure statement is being considered by the examiner. The examiner noted the information disclosure statement submitted on November 1, 2005 was filed to amend the patent number to Gibbons et al. However, the examiner noted the patent to Gibbons et al was listed on both the IDS filed on January 17, 2002 and November 25, 2003 and in both instances the patent number was incorrect and was corrected by the examiner. Therefore, the IDS filed on November 1, 2005 is a duplicate of IDS filed on November 25, 2003 and the examiner has already considered the IDS.

Drawings

2. The drawings filed on January 17, 2002 are accepted by the examiner.
